

EAC International Consulting is one of the leading management consultancies in growth markets with locations in Munich, Shanghai, Mumbai and Moscow. For 27 years we have been supporting our customers from strategic conception to implementation of investment, M&A (acquisitions, divestments, JV) and operational excellence projects. Core geographic focus has been in Asian, Central and Eastern European growth markets in industry sectors of mobility, industrial goods, exhibition, environment, chemicals, healthcare, consumer goods and advanced technologies.

To strengthen our team in Munich we are looking for a

Consultant (m/f/d)

You will be part of a team that contributes to customers' strategically relevant projects, report to project manager but have frequent customer contact. You contribute to the project results and need to have high affinity for detail orientation. In addition you will contribute to acquisition approaches.

Your tasks

- Conducting and leading of market research, reports compilations and analysis
- Support in the preparation of studies and reports, participation in customer-facing meetings
- Market and company analysis and observation of competitive trends
- Taking over responsibilities for project tasks (e.g. market interviews) and leading of smaller projects
- Close coordination with client specialist departments and management
- Support for customer meetings, special topics and general administrative tasks
- Preparation of customer information and support in project acquisition

Candidate profiles

- University degree with an emphasis on business, economics, engineering or a comparable major – preferably Masters' Degree
- Prior practical experience in digitalization, mechanical engineering preferred
- Ideally prior exposure to Central and Eastern Europe
- Fluent in German & English language, additional Eastern & Central European language skills highly welcome
- Excellent handling of MS Office applications (Word, Excel, PowerPoint, Outlook)
- Strong communication skills and confident manner, analytical-conceptual skills, entrepreneurial thinking
- Creativity, personal initiative, flexibility and team orientation

We are looking forward to receiving your application documents, including certificates, by e-mail stating your earliest possible date of entry. Please contact us via this E-mail address: eac-muc@eac-consulting.de
